All contracts for charter bus services must contain the clause prescribed by State law regarding criminal background checks for bus drivers.

Pre-Trip and Post-Trip Vehicle Inspection

The Superintendent or designee shall develop and implement a pre-trip and post-trip inspection procedure to ensure that the school bus driver: (1) tests the two-way radio or cellular radio telecommunication device and ensures that it is functioning properly before the bus is operated, and (2) walks to the rear of the bus before leaving the bus at the end of each route, work shift, or work day, to check the bus for children or other passengers in the bus.

Food Services

Good nutrition shall be promoted in the District's meal programs and in other food and beverages that are sold to students during the school day. The Superintendent shall manage a food service program that complies with this policy and is in alignment with School Board policy 6:50, *School Wellness*.

Food or beverage items sold to students as part of a reimbursable meal under federal law must follow the nutrition standards specified in the U.S. Dept. of Agriculture rules that implement the National School Lunch and Child Nutrition Acts. Schools being reimbursed for meals under these laws are *participating schools*.

The food service program in participating schools shall comply with the nutrition standards specified in the U.S. Dept. of Agriculture's *Smart Snacks rules* when it offers competitive foods to students on the school campus during the school day. *Competitive foods* are all food and beverages that are offered by any person, organization or entity for sale to students on the school campus during the school day that are not reimbursed under programs authorized by federal law. The food service programs in participating schools shall also comply with any applicable mandates in the Illinois State Board of Education's School Food Service rules implementing these federal laws and the Ill. School Breakfast and Lunch Program Act.

All revenue from the sale of any food or beverages sold in competition with the School Breakfast Program or National School Lunch Program to students in food service areas during the meal period shall accrue to the nonprofit school lunch program account.

Free and Reduced-Price Food Services

Notice

The Superintendent shall be responsible for implementing the District's free and reduced-price food services policy and all applicable programs.

Eligibility Criteria and Selection of Children

A student's eligibility for free and reduced-price food services shall be determined by the income eligibility guidelines, family-size income standards, set annually by the U.S. Department of Agriculture and distributed by the Illinois State Board of Education.

Notification

At the beginning of each school year, by letter, the District shall notify students and their parents/guardians of: (1) eligibility requirements for free and reduced-price food service; (2) the application process; (3) the name and telephone number of a contact person for the program; and (4) other information required by federal law. The Superintendent shall provide the same information to: (1) informational media, the local unemployment office, and any major area employers contemplating layoffs; and (2) the District's website (if applicable), all school newsletters, or students' registration materials. Parents/guardians enrolling a child in the District for the first time, any time during the school year, shall receive the eligibility information.

Nondiscrimination Assurance

The District shall avoid publicly identifying students receiving free or reduced-price meals and shall use methods for collecting meal payments that prevent identification of children receiving assistance.

Appeal

A family may appeal the District's decision to deny an application for free and reduced-price food services or to terminate such services as outlined by the U.S. Department of Agriculture in 7 C.F.R. §245.7, Determining Eligibility for Free and Reduced-Price Meals and Free Milk in Schools. The Superintendent shall establish a hearing procedure for adverse eligibility decisions and provide by mail a copy of them to the family. The District may also use these procedures to challenge a child's continued eligibility for free or reduced-price meals or milk.

During an appeal, students previously receiving food service benefits shall not have their benefits terminated. Students who were denied benefits shall not receive benefits during the appeal.

The Superintendent shall keep on file for a period of three years a record of any appeals made and the hearing record. The District shall also maintain accurate and complete records showing the data and method used to determine the number of eligible students served free and reduced-price food services. These records shall be maintained for three years.

Waiver of Student Fees

The Superintendent will recommend to the School Board a schedule of fees, if any, to be charged students for the use of textbooks, consumable materials, extracurricular activities, and other school student fees. Students must also pay for the loss of or damage to school books or other school-owned materials.

Fees for textbooks, other instructional materials, and driver education are waived for students who meet the eligibility criteria for a fee waiver as described in this policy. In order that no student is denied educational services or academic credit due to the inability of parents/guardians to pay student fees, the Superintendent will recommend to the Board which additional fees, if any, the District will waive for students who meet the eligibility criteria for fee waiver. Students receiving a fee waiver are not exempt from charges for lost and damaged books, locks, materials, supplies, and equipment.

Notification

The Superintendent shall ensure that applications for fee waivers are widely available and distributed according to State law and ISBE rule and that provisions for assisting parents/guardians in completing the application are available.

Eligibility Criteria

A student shall be eligible for a fee waiver when the student currently lives in a household that meets the same income guidelines, with the same limits based on household size, that are used for the federal free meals program.

The Superintendent or designee will give additional consideration where one or more of the following factors are present:

- Illness in the family;
- Unusual expenses such as fire, flood, storm damage, etc.;
- Unemployment;
- Emergency situations;
- When one or more of the parents/guardians are involved in a work stoppage.

Verification

The Superintendent or designee shall establish a process for determining a student's eligibility for a waiver of fees in accordance with State law requirements. The Superintendent or designee may require family income verification at the time an individual applies for a fee waiver and anytime thereafter but not more often than once every 60 calendar days. The Superintendent or designee shall not use any information from this or any independent verification process to determine free or reduced-price meal eligibility.

If a student receiving a fee waiver is found to be no longer eligible during the school year, the Superintendent or designee shall notify the student's parent/guardian and charge the student a prorated amount based upon the number of school days remaining in the school year.

Determination and Appeal

Within 30 calendar days after the receipt of a waiver request, the Superintendent or designee shall mail a notice to the parent/guardian whenever a waiver request is denied. The denial notice shall include: (1) the reason for the denial, (2) the process and timelines for making an appeal, and (3) a statement that the parent/guardian may reapply for a waiver any time during the school year if circumstances change. If the denial is appealed, the District shall follow the procedures for the resolution of appeals as provided in the Illinois State Board of Education rule on waiver of fees.

Facility Management and Building Programs

The Superintendent shall manage the District's facilities and grounds as well as facility construction and building programs in accordance with the law, the standards set forth in this policy, and other applicable School Board policies. The Superintendent or designee shall facilitate: (1) inspections of schools by the Regional Superintendent and State Fire Marshal or designee, and (2) review of plans and specifications for future construction or alterations of a school if requested by the relevant municipality, county (if applicable), or fire protection district.

Standards for Managing Buildings and Grounds

All District buildings and grounds shall be adequately maintained in order to provide an appropriate, safe, and energy efficient physical environment for learning and teaching. The Superintendent or designee shall provide the Board with periodic reports on maintenance data and projected maintenance needs that include cost analysis. Prior Board approval is needed for all renovations or permanent alterations to buildings or grounds when the total cost will exceed \$12,500, including the cost equivalent of staff time. This policy is not intended to discourage efforts to improve the appearance of buildings or grounds that are consistent with the designated use of those buildings and grounds.

Standards for Green Cleaning

For each District school with 50 or more students, the Superintendent or designee shall establish and supervise a green cleaning program that complies with the guidelines established by the Illinois Green Government Coordinating Council.

Standards for Facility Construction and Building Programs

As appropriate, the Board will authorize a comprehensive study to determine the need for facility construction and expansion. On an annual basis, the Superintendent or designee shall provide the Board with projected facility needs, enrollment trends, and other data impacting facility use. Board approval is needed for all new facility construction and expansion.

When making decisions pertaining to design and construction of school facilities, the Board will confer with members of the staff and community, the Illinois State Board of Education, and educational and architectural consultants, as it deems appropriate. The Board's facility goals are to:

1. Integrate facilities planning with other aspects of planning and goal-setting.

2. Base educational specifications for school buildings on identifiable student needs.
3. Design buildings for sufficient flexibility to permit new or modified programs.
4. Design buildings for maximum potential for community use.
5. Meet or exceed all safety requirements.
6. Meet requirements on the accessibility of school facilities to disabled persons as specified in State and federal law.
7. Provide for low maintenance costs, energy efficiency, and minimal environmental impact.

Naming Buildings and Facilities

Recognizing that the name for a school building, facility, or ground or field reflects on its public image, the Board's primary consideration will be to select a name that enhances the credibility and stature of the school or facility. Any request to name or rename an existing facility should be submitted to the Board. When a facility is to be named or renamed, the Board President will appoint a special committee to consider nominations and make a recommendation, along with supporting rationale, to the Board. The Board will make the final selection. The Superintendent or designee may name a room or designate some area on a school's property in honor of an individual or group that has performed outstanding service to the school without using the process in this policy.

4. One law enforcement drill

Automated External Defibrillator (AED)

The Superintendent or designee shall implement a written plan for responding to medical emergencies at the District's physical fitness facilities in accordance with the Fitness Facility Medical Emergency Preparedness Act. The plan shall provide for an automated external defibrillator (AED) to

be available according to State law requirements. This policy does not create an obligation to use an AED nor is it intended to create any expectation that an AED will be present or a trained person will be present and/or able to use an AED.

Carbon Monoxide Alarms

The Superintendent or designee shall implement a plan with the District's local fire officials to:

1. Determine which school buildings to equip with approved *carbon monoxide alarms* or *carbon monoxide detectors*,
2. Locate the required carbon monoxide alarms or carbon monoxide detectors within 20 feet of a carbon monoxide emitting device, and
3. Incorporate carbon monoxide alarm or detector activation procedures into each school building that requires a carbon monoxide alarm or detector. The Superintendent or designee shall ensure each school building annually reviews these procedures.

Soccer Goal Safety

The Superintendent or designee shall implement the Movable Soccer Goal Safety Act in accordance with the guidance published by the Illinois Department of Public Health. Implementation of the Act shall be directed toward improving the safety of movable soccer goals by requiring that they be properly anchored.

Unsafe School Choice Option

The unsafe school choice option allows students to transfer to another District school or to a public charter school within the District. The unsafe school choice option is available to:

1. All students attending a persistently dangerous school, as defined by State law and identified by the Illinois State Board of Education.
2. Any student who is a victim of a violent criminal offense, as defined by 725 ILCS 120/3, that occurred on school grounds during regular school hours or during a school-sponsored event.

The Superintendent or designee shall develop procedures to implement the unsafe school choice option.

Emergency Closing

The Superintendent is authorized to close school(s) in the event of hazardous weather or other emergency that threatens the safety of students, staff members, or school property.

Annual Review

Administrative Procedure - Criminal Offender Notification Laws

The following list describes laws protecting students on school grounds from individuals convicted of serious crimes:

1. A child sex offender is prohibited from being present on school property or loitering within 500 feet of school property when persons under the age of 18 are present unless specifically permitted by statute (720 ILCS 5/11-9.3). See School Board policies 4:170, *Safety*; 8:30, *Visitors to and Conduct on School Property*; and administrative procedure 8:30-AP, *Definition of Child Sex Offender*.
2. Law enforcement must notify schools of offenders who reside or are employed in the county. See: (a) Sex Offender Community Notification Law, 730 ILCS 152/101 *et seq.*, and (b) Murderer and Violent Offender Against Youth Community Notification Law, 730 ILCS 154/75-105, amended by P.A. 97-154. These laws are hereafter referred to as "offender notification laws." See also policy 4:170, *Safety*.
3. The School Code (105 ILCS 5/10-21.9, amended by P.A. 97-607) lists criminal offenses that disqualify an individual from District employment if the individual was convicted. It requires any person hired by the District to submit to a fingerprint-based criminal history records check through (a) the Illinois State Police (ISP) for an individual's *Criminal History Records Information* (CHRI) and (b) the FBI's national crime information databases. The law also requires a school district to check two Illinois offender databases for each applicant, which are (a) the Statewide Sex Offender Registry, www.isp.state.il.us/sor/ and (b) the Statewide Murderer and Violent Offender Against Youth Registry, www.isp.state.il.us/cmvo/. Obtaining the results of the fingerprint-based criminal history records check and review of the database registries is a *complete criminal history records check* as required by the School Code. See Board policy 5:30, *Hiring Process and Criteria*; administrative procedure 5:30-AP2, *Investigations*, and ISBE's non-regulatory guidance document, *Criminal History Records Information (CHRI) Checks for Certified and Non-certified School Personnel*, at: www.isbe.net/pdf/guidance_chr.pdf.
Note: A District may also check the National Sex Offender Public Registry, www.nsopr.gov; however, the same information will likely appear in the information furnished by the FBI.
4. The provisions in the School Code described above also apply to employees of persons or firms holding contracts with a school district who have direct, daily contact with students. See Board policy 4:170, *Safety*.
5. Conviction of an offense listed in 105 ILCS 5/10-21.9, amended by P.A. 97-607, results in the automatic revocation of the individual's certificate (105 ILCS 5/21-23a, repealed by P.A. 97-607 and moved to 105 ILCS 5/21B-80).
6. The offender notification laws require law enforcement to ascertain whether a juvenile sex offender or violent offender against youth is enrolled in a school and, if so, to provide a copy of the registration form to the Building Principal and any guidance counselor designated by him or her. This registration form must be kept separately from any and all school records maintained on behalf of the juvenile sex offender. See Board policy 4:170, *Safety*.

Receipt of the Information from Law Enforcement

The Superintendent or designee shall notify the local law enforcement official or county sheriff that he or she is the District's official contact person for purposes of the offender notification laws. The Superintendent and/or Building Principal may at any time request information from law enforcement officials regarding sex offenders or violent offenders against youth.

The Superintendent will provide Building Principals and other supervisors with a copy of all lists received from law enforcement officials containing the names and addresses of sex offenders and violent offenders against youth.

The Building Principal or designee shall provide the lists to staff members in his or her building on a need-to-know basis, but in any event:

- A teacher will be told if one of his or her students, or a student's parent/guardian, is on a list.
- The school counselor, nurse, social worker, or other school service personnel will be told if a student or the parent/guardian of a student for whom he or she provides services is on a list.

No person receiving a list shall provide it to any other person, except as provided in these procedures, State law, or as authorized by the Superintendent. Requests for information should be referred to the local law enforcement officials or State Police.

Screening Individuals Who Are Likely to Have Contact with Students at School or School Events

Upon receiving a list of sex offenders or violent offenders against youth from law enforcement, the Superintendent or Building Principal, or designees, shall determine if anyone is listed who is currently a District employee, student teacher, or school volunteer.

In addition, the Superintendent and/or Building Principal(s) shall screen individuals who are likely to come in contact with students at school or school events as follows:

Volunteers

Each staff member shall submit to the Building Principal the name and address of each volunteer the staff member is supervising or whose services are being used as soon as that person is identified. The Building Principal or designee shall immediately screen the volunteer's name and address against the: (1) Dru Sjodin National Sex Offender Public Website (NSOPW), www.nsopr.gov, (2) Illinois Sex Offender Registry, www.isp.state.il.us/sor/, and (3) the Illinois Murderer and Violent Offenders Against Youth Registry maintained by the State Police, www.isp.state.il.us/cmvo/. If a match is found, the Building Principal shall notify the Superintendent, who shall contact the local law enforcement officials to confirm or disprove the match.

If a match is confirmed, the Superintendent shall inform the individual, by mail and telephone call, that he or she may not be used as a volunteer. The Superintendent also shall inform relevant staff members and the Building Principal that the individual may not be used as a volunteer.

While volunteers are not subject to a criminal history records check requirement like District employees, the District may require the same fingerprint-based criminal history records check required of student teachers. See ISBE's non-regulatory guidance document, *Criminal History Records Information (CHRI) Checks for Certified and Non-certified School Personnel*, at: www.isbe.net/pdf/guidance_chr.pdf and **Student Teachers**, below. The law is not clear whether the volunteer or the District pays the cost of this check, but funds from any ADA School Safety and Educational Improvement Block Grant may be used to pay for fingerprint-based criminal history records checks.

Student Teachers

The District will perform a fingerprint-based criminal history records check pursuant to the Uniform Conviction Information Act (20 ILCS 2635/1) (ISP) and the Adam Walsh Child Protection and Safety Act (P.L. 109-248) (FBI). The Superintendent will receive the records of convictions (unless expunged) from the fingerprint-based criminal history records check. See 105 ILCS 5/10-21.9(g) and ISBE's non-regulatory guidance document, *Criminal History Records Information (CHRI) Checks for Certified and Non-certified School Personnel*, at: www.isbe.net/pdf/guidance_chr.pdf. See also 5:30-AP2, *Administrative Procedure- Investigations*. Prior to participating in any field experiences in the District, each student teacher must provide written authorization for, and pay the costs of, his or her fingerprint-

based criminal history records check. (Id. and 20 ILCS 2635 (7)(A). Each student teacher will be provided with a copy of the report (Id.) Every new student teaching experience will require a new background check.

In addition, the Superintendent shall also screen the student teacher's name and address against the: (1) Illinois Sex Offender Registry, www.isp.state.il.us/sor/, and (2) the Violent Offender Against Youth Registry maintained by the State Police, www.isp.state.il.us/cmvo/.

Students Doing Field or Clinical Experience other than Student Teaching

The Building Principal shall screen the name and address of each student seeking to do any field or clinical experience other than student teaching in the school as described above for volunteers. If a match is found, the Building Principal and Superintendent shall proceed as above for volunteers.

The District may also require the same fingerprint-based criminal history records check required of student teachers prior to a student beginning any field or clinical experiences other than student teaching in the District. See **Student Teachers**, above. The cost of this check will be paid for by the student seeking the experience.

Contractors' Employees

The Superintendent shall include the following in all District contracts that may involve an employee of the contractor having any contact, direct or indirect, with a student:

The contractor shall not send to any school building or school property any employee or agent who would be prohibited from being employed by the District due to a conviction of a crime listed in 105 ILCS 5/10-21.9, amended by P.A.s 97-248 and 97-607, or who is listed in the Illinois Sex Offender Registry or the Illinois Murderer and Violent Offender Against Youth Registry. The contractor shall make every employee who will be sent to any school building or school property available to the District for the purpose of submitting to a fingerprint-based criminal history records check pursuant to 105 ILCS 5/10-21.9. The check shall occur before any employee or agent is sent to any school building or school property. The contractor will reimburse the District for the costs of the checks. The District must also provide a copy of the report to the individual employee, but is not authorized to release it to the contractor. Additionally, at least quarterly, the contractor shall check if an employee or agent is listed on the Illinois Sex Offender Registry or the Illinois Murderer and Violent Offender Against Youth Registry.

If a staff member at any time becomes aware or suspicious that a contractor's employee is a sex offender or violent offender against youth, the employee shall immediately notify the Superintendent. The Superintendent shall screen the name of the individual as described in **Volunteers**, above and/or contact the contractor.

If another school district requests a copy of a criminal history records check that the District conducted on a contractor's employee within the last year, the District will share it with the requesting school district. P.A. 97-248 requires the District to share the information and allows a school district to rely on the checks done by another district that are less than one year old. **Note:** Unless notified by the individual whose criminal history records are being checked or by the ISP that the information furnished in its criminal history records information (CHRI) report is inaccurate or incomplete, the District cannot be liable for damages to any person to whom the CHRI pertains for actions that the District reasonably took in reliance on the accuracy and completeness of CHRI report (20 ILCS 2635/7(A)(3).

Individuals in the Proximity of a District's School

Each time a list of sex offenders and/or violent offenders against youth is received from a law enforcement official, the Building Principal shall review it to determine if anyone listed lives in the proximity of his or her school. The Building Principal shall attempt to alter school bus

stops and the route students travel to and from school in order to avoid contact with an individual on such a list.

Employees

All applicants considered for District employment shall submit to a fingerprint-based criminal history records check, according to State law and Board policy 5:30, *Hiring Process and Criteria*, and administrative procedure 5:30-AP2, *Investigations*. See 105 ILCS 5/10-21.9, amended by P.A. 97-607.

Each time a list of sex offenders or violent offenders against youth is received from a law enforcement official, the Superintendent shall review the list to determine if an employee is on the list. If a match is found, the Superintendent shall immediately contact the local police officials to confirm or disprove the match. The Superintendent shall immediately notify the Board if a match is confirmed. The Board President will contact the Board Attorney and the Board will take the appropriate action to comply with State law that may include terminating the individual's employment.

Informing Staff Members and Parents/Guardians About the Law

Building Principals or their designees shall inform parents/guardians about the availability of information concerning sex offenders during school registration and, if feasible, during parent-teacher conferences. Information should be distributed about the Statewide Sex Offender Registry, www.isp.state.il.us/sor/, and the Statewide Murderer and Violent Offender Against Youth Registry, www.isp.state.il.us/cmvo/. Information may also be included in the Student Handbook. See the Sex Offender Community Notification Law, 730 ILCS 152/101 *et seq.*, and exhibit 4:170-AP2, E1, *Informing Parents About Offender Community Notification Laws*.

Requests for additional information shall be referred to local law enforcement officials.

Persons Prohibited on School Property without Prior Permission

State law prohibits a child sex offender from being present on school property or loitering within 500 feet of school property when persons under the age of 18 are present, unless the offender meets either of the following two exceptions:

1. The offender is a parent/guardian of a student attending the school and has notified the Building Principal of his or her presence at the school for the purpose of: (i) attending a conference with school personnel to discuss the progress of his or her child academically or socially, (ii) participating in child review conferences in which evaluation and placement decisions may be made with respect to his or her child regarding special education services, or (iii) attending conferences to discuss other student issues concerning his or her child such as retention and promotion; or
2. The offender received permission to be present from the School Board, Superintendent, or Superintendent's designee. If permission is granted, the Superintendent or Board President shall provide the details of the offender's upcoming visit to the Building Principal.

In all cases, the Superintendent or designee shall supervise a child sex offender whenever the offender is in a child's vicinity. If a student is a sex offender, the Superintendent or designee shall develop guidelines for managing his or her presence in school.

Screening

The Superintendent or designee shall perform fingerprint-based criminal history records information checks and/or screenings required by State law or Board policy for employees; student teachers; students doing field or clinical experience other than student teaching; contractors' employees who have direct, daily contact with one or more children; and resource persons and volunteers. He or she shall take appropriate action based on the result of any criminal background check and/or screen.

Notification to Parents/Guardians

The Superintendent shall develop procedures for the distribution and use of information from law enforcement officials under the Sex Offender Community Notification Law and the Murderer and Violent Offender Against Youth Community Notification Law. The Superintendent or designee shall

serve as the District contact person for purposes of these laws. The Superintendent and Building Principal shall manage a process for schools to notify the parents/guardians during school registration that information about sex offenders is available to the public as provided in the Sex Offender Community Notification Law. This notification must occur during school registration and at other times as the Superintendent or Building Principal determines advisable.

Administrative Procedure - Criminal Offender Notification Laws; Screening

Laws Protecting Students on School Grounds

The following list describes laws protecting students on school grounds from individuals convicted of serious crimes:

1. A child sex offender is prohibited from being present on school property or loitering within 500 feet of school property when persons under the age of 18 are present unless specifically permitted by statute (720 ILCS 5/11-9.3). See School Board policies 4:175, *Convicted Child Sex Offender; Screening; Notifications; 8:30, Visitors to and Conduct on School Property*; and administrative procedure 8:30-AP, *Definition of Child Sex Offender*.
2. Law enforcement must notify schools of offenders who reside or are employed in the county. See: (a) Sex Offender Community Notification Law, 730 ILCS 152/ and (b) Murderer and Violent Offender Against Youth Community Notification Law, 730 ILCS 154/75-105. These laws are hereafter referred to as "offender notification laws." See also policy 4:175, *Convicted Child Sex Offender; Screening; Notifications*.
3. The School Code (105 ILCS 5/10-21.9, 5/21B-5 and 5/21B-80) lists criminal offenses that disqualify an individual from District employment if the individual was convicted. 105 ILCS 5/20-21.9 requires any person hired by the District to submit to a fingerprint-based criminal history records check through (a) the Illinois State Police (ISP) for an individual's *Criminal History Records Information (CHRI)* and (b) the FBI's national crime information databases. The law also requires a school district to check two Illinois offender databases for each applicant, which are (a) the Statewide Sex Offender Registry, www.isp.state.il.us/sor/ and (b) the Statewide Murderer and Violent Offender Against Youth Registry, www.isp.state.il.us/cmvo/. Obtaining the results of the fingerprint-based criminal history records check and review of the database registries is a *complete criminal history records check* as required by the School Code. See Board policy 5:30, *Hiring Process and Criteria*; administrative procedure 5:30-AP2, *Investigations*, and ISBE's non-regulatory guidance document, *Criminal History Records Information (CHRI) Checks for Certified and Non-certified School Personnel*, at: www.isbe.net/pdf/guidance_chr.pdf.

4. **Note:** A District may also check the National Sex Offender Public Registry, www.nsopr.gov; however, the same information will likely appear in the information furnished by the FBI.
5. The provisions in the School Code described above also apply to employees of persons or firms holding contracts with a school district who have direct, daily contact with students (105 ILCS 5/10-21.9(f)). See administrative procedures 4:60-AP3, *Criminal History Records Check of Contractor Employees*, and 5:30-AP2, *Investigations*.
6. Conviction of an offense listed in 105 ILCS 5/21B-80(c) results in the automatic suspension or revocation of the individual's license. Conviction of an offense listed in 105 ILCS 5/21B-80(b), depending upon whether the individual's sentence has been satisfactorily completely and seven years have passed since that date, may result in automatic suspension or revocation of the individual's license.
7. The offender notification laws require law enforcement to ascertain whether a juvenile sex offender or violent offender against youth is enrolled in a school and, if so, to provide a copy of the registration form to the Building Principal and any guidance counselor designated by him or her. This registration form must be kept separately from any and all school records maintained on behalf of the juvenile sex offender. See Board policy 4:175, *Convicted Child Sex Offender; Screening; Notifications*.

Receipt of Information from Law Enforcement

Offender Notification Laws: The Superintendent or designee shall notify the local law enforcement official or county sheriff that he or she is the District's official contact person for purposes of the offender notification laws. The Superintendent and/or Building Principal may at any time request information from law enforcement officials regarding sex offenders or violent offenders against youth.

The Superintendent will provide Building Principals and other supervisors with a copy of all lists received from law enforcement officials containing the names and addresses of sex offenders and violent offenders against youth.

The Building Principal or designee shall provide the lists to staff members in his or her building on a need-to-know basis, but in any event:

- A teacher will be told if one of his or her students, or a student's parent/guardian, is on a list.
- The school counselor, nurse, social worker, or other school service personnel will be told if a student or the parent/guardian of a student for whom he or she provides services is on a list.

No person receiving a list shall provide it to any other person, except as provided in these procedures, State law, or as authorized by the Superintendent. Requests for information should be referred to the local law enforcement officials or State Police.

Juvenile Delinquency Adjudication Notifications: The Superintendent or designee shall contact the Juvenile Division of the County State's Attorney Office(s) having jurisdiction over the District's school(s) to discuss how the State's Attorney shall inform the Superintendent or designee of any students adjudicated as delinquent minors for offenses that would be felonies and/or certain weapons offenses under the Criminal Code of 2012 (705 ILCS 405/5-901(8)). The Superintendent and/or designee(s) shall ensure the dissemination of such information is limited to the Building Principal and any guidance counselor designated by the Building Principal (Id.)

Informing Staff Members and Parents/Guardians About the Law

Building Principals or their designees shall inform parents/guardians about the availability of information concerning sex offenders during school registration and, if feasible, during parent-teacher conferences. Information should be distributed about the Statewide Sex Offender Registry, www.isp.state.il.us/sor/, and the Statewide Murderer and Violent Offender Against Youth Registry, www.isp.state.il.us/cmvo/. Information may also be included in the Student Handbook. See the Sex Offender Community Notification Law, 730 ILCS 152/, and exhibit 4:175-AP1, E1, *Informing Parents/Guardians About Offender Community Notification Laws*.

Requests for additional information shall be referred to local law enforcement officials.

Screening Individuals Who Are Likely to Have Contact with Students at School or School Events

The law is silent with regard to *screening* volunteers and individuals in the proximity of a school. *Screening* is not the same as the School Code's requirement to perform a *fingerprint-based criminal history records check* through (a) the Illinois State Police (ISP) for an individual's *Criminal History Records Information* (CHRI) and (b) the FBI's national crime information databases (105 ILCS 5/10-21.9).

Screening involves checking an individual's name and address against the: (1) Illinois Sex Offender Registry, www.isp.state.il.us/sor/, and (2) the Violent Offender Against Youth Registry maintained by the State Police, www.isp.state.il.us/cmvo/. 105 ILCS 5/10-21.9(a-5), (a-6).

1. For employees and student teachers, the Superintendent or Building Principal(s):
 - a. Completes the required forms to request the *fingerprint-based criminal history records check*; see 5:30-AP2, *Investigations*. 105 ILCS 5/10-21.9(a).
 - b. *Screens* the individual's name and address against the: (1) Illinois Sex Offender Registry, www.isp.state.il.us/sor/, and (2) the Violent Offender Against Youth Registry maintained by the State Police, www.isp.state.il.us/cmvo/. 105 ILCS 5/10-21.9(a-5), (a-6).

- c. Reviews the lists of sex offenders and violent offenders against youth as the lists are received from law enforcement. If a match is found, the Superintendent immediately contacts the local police officials to confirm or disprove the match. The Superintendent immediately notifies the Board if a match is confirmed. The Board President will contact the Board Attorney and the Board will take the appropriate action to comply with State law that may include terminating the individual's employment.
 - d. May request the individual to authorize a clearance of his or her name through the Ill. Dept. Of Children and Family Services (DCFS) CANTS system. This check documents that the person does not have an indicated report or record on DCFS' registry of child abuse and/or neglect. 325 ILCS 5/11.1(a)(11) and (c). Clearances must be requested using the DCFS form at [www.illinois.gov/dcfs/aboutus/notices/Documents/cfs_689_authorization_for_background_check_for_programs_not_licensed_by_dcfs_\(fillable\).pdf](http://www.illinois.gov/dcfs/aboutus/notices/Documents/cfs_689_authorization_for_background_check_for_programs_not_licensed_by_dcfs_(fillable).pdf).
If an indicated report is found, contact the Board Attorney for guidance.
2. For students doing field or clinical experience other than student teaching, the Superintendent or Building Principal(s):
 - a. May require the same fingerprint-based criminal history records check required of student teachers. The cost of this check will be reimbursed by the student seeking the experience.
 - b. Performs the responsibilities listed in 1. b. & c., above.
 3. For volunteers, see 6:250-AP, *Securing and Screening Resource Persons and Volunteers*. The Superintendent or Building Principal(s):
 - a. May require the same fingerprint-based criminal history records check required of student teachers.
 - b. Performs the responsibilities listed in 1. b. & c., above.
 4. For contractors' employees, see 4:60-AP3, *Criminal History Records Check of Contractor Employees*; 5:30-AP2, *Investigations*.
 5. For individuals in the proximity of a school or bus stop, the Building Principal(s) review(s) the lists of sex offenders and violent offenders against youth as they are received from law enforcement. The Building Principal or designee shall: (a) notify staff members according to the section of this procedure on **Receipt of the Information from Law Enforcement**, and (b) attempt to alter school bus stops and the route students travel to and from school in order to avoid contact with an individual on such a list.

Pandemic Preparedness

The School Board recognizes that the District will play an essential role along with the local health department and emergency management agencies in protecting the public's health and safety if an influenza pandemic occurs. A pandemic influenza is a worldwide outbreak of a virus for which there is little or no natural immunity and no vaccine; it spreads quickly to people who have not been previously exposed to the new virus.

To prepare the School District community for a pandemic, the Superintendent or designee shall: (1) learn and understand the roles that the federal, State, and local government would play in an epidemic; (2) form a pandemic planning team consisting of appropriate District personnel and community members to identify priorities and oversee the development and implementation of a comprehensive pandemic influenza school action plan; and (3) build awareness of the final plan among staff, students, and community.

Emergency School Closing

In the case of a pandemic, any decision for an emergency school closing will be made by the Superintendent in consultation with and, if necessary, at the direction of the District's local health department, emergency management agencies, and Regional Office of Education.
