## Instruction

### School Accountability

According to the Illinois General Assembly, the primary purpose of schooling is the transmission of knowledge and culture through which students learn in areas necessary to their continuing development and entry into the world of work. To fulfill that purpose, the Illinois State Board of Education prepared *State Goals for Learning* with accompanying *Illinois Learning Standards*.

The School Board gives priority in the allocation of resources, including funds, time, personnel, and facilities, to fulfilling this purpose.

### Quality Assurance

The Board continuously monitors student achievement and the quality of the District's work. The Superintendent shall supervise the following quality assurance components, in accordance with State law and Illinois State Board of Education (ISBE) rules, and continuously keep the Board informed:

1. Prepare each school's annual recognition application and quality assurance appraisal, whether internal or external, to assess each school's continuous school improvement.
2. Continuously assess the District's and each school's overall performance in terms of both academic success and equity. This includes, without limitation, a thorough analysis of ISBE's balanced accountability measure and each school's *Multiple Measure Index* and corresponding *Annual Measurable Objective* provided by ISBE.
3. If applicable, develop District and School Improvement Plans, present them for Board approval, and supervise their implementation.
4. Prepare a school report card, present it at a regular Board meeting, and disseminate it as provided in State law.
5. In accordance with Sec. 2-3.153 of the School Code, administer at least biennially a survey of learning conditions on the instructional environment within the school to, at minimum, students in grades 6 through 12 and teachers.

### Administrative Procedure - Checklist for Development, Implementation, and Maintenance of Parent and Family Engagement Compacts for Title I Programs

The development, implementation, and maintenance of parent/guardian and family engagement compacts must be accomplished with meaningful consultation with parents/guardians of children participating in Title I programs. The Superintendent designates a person to be responsible for the process of obtaining meaningful consultation. This checklist includes some measures designed to encourage meaningful consultation.

This is an annual checklist. *Check steps as completed.*

- Plan regular meetings throughout the school year with parents/guardians to discuss the District and/or school compacts; identify dates and convenient times, places, and persons whose attendance is desired. Offer meetings in the morning or evening, and, if funds are available under Title I for this purpose, provide transportation, childcare, or home visits, as such services relate to parent/guardian involvement.
- Plan an agenda for meetings to be held to discuss District and/or school compacts.
  - Always begin with “introducing where we are now” and end with “next steps.”
  - Agendas should provide for two-way communication between District and parents/guardians of children participating in Title I programs.
  - Agendas can be built around the federal compliance requirements as stated in the IASB sample district- and school-level compacts.
  - Agendas should also include a section to inform parents/guardians of their school’s participation under Title I and to explain Title I’s requirements regarding parent/guardian involvement, including the right of the parents/guardians to be involved.
  - Agendas should also include a section to describe and explain the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of challenging State academic standards.

- If requested by a parent/guardian, agendas should also include a section for parents/guardians to formulate suggestions and to participate, as appropriate, in decisions relating to their children’s education.
  - Agendas should also include a section to involve parents/guardians in the planning, review, and improvement of Title I programs, including the joint development of the schoolwide program plan under 20 U.S.C. §6314(b)(2).
  - Another agenda topic is how funds are allotted for parent/guardian involvement in activities; parents/guardians of children receiving services must be involved in these decisions.
- Notify interested persons of meeting dates to discuss the District and/or school compacts, including:
- Parents/guardians of students’ participating in Title I programs
  - Staff members
  - Students participating in Title I programs
  - School Board members
  - Media
  - Coordinators for other school programs, e.g., Head Start and preschool programs
  - Other \_\_\_\_\_
- Publicize the meeting dates, times, and locations to discuss District and/or school compacts.
- Make all Open Meetings Act notifications and postings for meetings to be held to discuss District and/or school compacts. Note: it is wise to assume these meetings will be in open session if Board members are expected to attend.
- Appoint a recording secretary to keep meeting minutes.
- Provide copies of working drafts to parents/guardians in an understandable and uniform format and, to the extent practicable, in a language the parents/guardians can understand.
- Determine *success* indicators to measure the effectiveness of the parent and family engagement compacts in improving the academic achievement.
- Review the *success* indicators in order to evaluate the effectiveness of the parent and family engagement compacts in improving the academic achievement.
- Identify:

- Barriers to greater participation by parents/guardians, with particular attention to parents/guardians who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background;
- The needs of parents/guardians and family members to assist with the learning of their children, including engaging with school personnel and teachers; and
- Strategies to support successful school and family interactions.

Use the findings of such evaluation to design evidence-based strategies for more effective parent/guardian involvement.

- If the schoolwide program plan under 20 U.S.C. §6314(b)(2) is not satisfactory to the parents/guardians of participating children, submit any parents/guardians comments on the plan when the school makes the plan available to the Board.
- Provide status reports to the Board and, periodically, submit updated parent and family engagement compacts to the Board.
- Revise the applicable parent and family engagement compacts as necessary.

### **Exhibit - District-Level Parent and Family Engagement Compact**

This District-level *Compact* provides an understanding of the joint responsibility of the District and parents/guardians and family members to improve students' academic achievement and school performance. To that end, the District provides opportunities for parent/guardian and family engagement at the District level as follows:

1. The District involves parents/guardians and family members in the joint development of the District's plan to help low-achieving children meet challenging achievement and academic standards (20 U.S.C. §6312), and the development of comprehensive and targeted support and improvement plans (20 U.S.C. §§6311(d)(1), (2)) by:
  - Establishing a District-level committee with parent/guardian liaisons from each building as well as representatives from other relevant federal, State, and local programs.
  - Establishing meaningful, ongoing two-way communication between the District, staff and parents/guardians.
  - Developing a District newsletter to communicate to parents/guardians about the plan and seek their input and participation.
  - Training personnel on how to collaborate effectively with families with diverse backgrounds that may impede parent/guardian participation, e.g., illiteracy or language difficulty.
2. The District provides the coordination, technical assistance, and other support necessary to assist and build the capacity of all participating schools in planning and implementing effective parent/guardian and family involvement activities to improve student academic achievement and school performance by:
  - Providing ongoing District-level workshops to assist buildings in planning and implementing improvement strategies.
  - Establishing training programs for building liaisons to bring the communication and facilitation skills to the buildings they represent.

- Providing information to parents/guardians about the various assessment tools and instruments that will be developed to monitor progress.
  - Seeking input from parents/guardians in developing workshops.
  - Providing ongoing communication about the District-wide committee through District newsletters or other written or electronically communicated means.
  - Engaging the building PTO's to actively seek out and involve parents/guardians through regular communication updates and information sessions.
  - Utilizing PTOs to assist in identifying effective communication strategies based on their members' needs.
  - Providing a master calendar of District meetings to discuss pertinent topics.
  - Allowing meaningful consultation with employers, business leaders, and philanthropic organizations, or individuals with expertise in effectively engaging parents/guardians and family members in education.
3. The District coordinates and integrates parent/guardian and family engagement strategies under this *Compact*, to the extent feasible and appropriate, with engagement strategies under other relevant federal, State and local programs by:
    - Involving District and program representatives to assist in identifying specific population needs.
    - Sharing data from other programs to assist in developing new initiatives to improve academic achievement and school improvement.
  4. The District conducts, with the meaningful involvement of parents/guardians and family members, an annual evaluation of the content and effectiveness of the parent/guardian and family engagement policy in improving the academic quality of the schools served under Title I, including identifying: (a) barriers to greater participation by parents/guardians in activities authorized by 20 U.S.C. §6318 (with particular attention to parents/guardians who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background); (b) the needs of parents/guardians and family members to assist with the learning of their children, including engaging with school personnel and teachers; and (c) strategies to support successful school and family interactions. The District then uses the findings of such evaluation to design

evidence-based strategies for more effective parent/guardian involvement, and to revise, if necessary, its District-level parents/guardians and family engagement policies. The District does these activities by:

- Evaluating the effectiveness of the content and communication methods through a variety of means, including: focus groups, surveys, workshops, and informal coffees with District and building administrative staff, parents/guardians, and teachers.
  - Identifying barriers to effective evaluation by language support or other assistance as needed.
