2. News conferences and interviews, as requested or needed. The Board President and Superintendent will coordinate their respective media relations efforts. Individuals may speak for the District only with prior approval from the Superintendent.

The Board, in consultation with the Superintendent, determines the purpose(s) and objective(s) of any community engagement initiative.

For each community engagement initiative:

1. The Board will:
   a. Commit to the determined purpose(s) and objective(s), and
   b. Provide information about the expected nature of the public's involvement.

Community Use of School Facilities

School facilities are available to community organizations during non-school hours when such use does not: (1) interfere with any school function or affect the safety of students or employees, or (2) affect the property or liability of the School District. The use of school facilities for school purposes has precedence over all other uses. The District reserves the right to cancel previously scheduled use of facilities by community organizations and other groups. The use of school facilities requires the prior approval of the Superintendent or designee and is subject to applicable procedures.

Persons on school premises must abide by the District's conduct rules at all times.

Student groups, school-related organizations, government agencies, and non-profit organizations are granted the use of school facilities at no costs during regularly staffed hours. Fees and costs shall apply during non-regularly staffed hours and to other organizations granted use of facilities at any time. A fee schedule and other terms of use shall be prepared by the Superintendent and be subject to annual approval by the School Board.

In all cases, the Superintendent, or designee who is a certified employee, shall supervise a child sex offender whenever the offender is in a child's vicinity.

Such access shall be conducted in a manner that will not impede the normal operations of the District.

Accommodating Individuals with Disabilities

Individuals with disabilities shall be provided an opportunity to participate in all school-sponsored services, programs, or activities and will not be subject to illegal discrimination. When appropriate, the District may provide to persons with disabilities aids, benefits, or services that are separate or different from, but as effective as, those provided to others.

The District will provide auxiliary aids and services when necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program, or activity.

Each service, program, website, or activity operated in existing facilities shall be readily accessible to, and useable by, individuals with disabilities. New construction and alterations to facilities existing before January 26, 1992, will be accessible when viewed in their entirety.

The Superintendent or designee is designated the Title II Coordinator and shall:

1. Oversee the District's compliance efforts, recommend necessary modifications to the School Board, and maintain the District's final Title II self-evaluation document, update it to the extent necessary, and keep it available for public inspection for at least three years after its completion date.
2. Institute plans to make information regarding Title II's protection available to any interested party.

Individuals with disabilities should notify the Superintendent or Building Principal if they have a disability that will require special assistance or services and, if so, what services are required. This notification should occur as far in advance as possible of the school-sponsored function, program, or meeting.

Individuals with disabilities may allege a violation of this policy or federal law by reporting it to the Superintendent or designated Title II Coordinator, or by filing a grievance under the Uniform Grievance Procedure.

Gifts to the District

The School Board appreciates gifts from any education foundation, other entities, or individuals. All gifts must adhere to each of the following:

1. Be accepted by the Board or, if less than $500.00 in value, the Superintendent or designee. Individuals should obtain a pre-acceptance commitment before identifying the District, any school, or school program or activity as a beneficiary in any fundraising attempt, including without limitation, any Internet fundraising attempt.
2. Be given without a stated purpose or with a purpose deemed by the party with authority to accept the gift to be compatible with the Board's educational objectives and policies.
3. Be consistent with the District's mandate to provide equal educational and extracurricular opportunities to all students in the District as provided in Board policy 7:10, *Equal Educational Opportunities*. State and federal laws require the District to provide equal treatment for members of both sexes to educational programming, extracurricular activities, and athletics. This includes the distribution of athletic benefits and opportunities.
4. Permit the District to maintain resource equity among its learning centers.
5. Be viewpoint neutral when the gift involves the incorporation of any messages. The Superintendent or designee shall manage a process for the review and approval of donations involving the incorporation of messages into or placing messages upon school property.
6. Comply with all laws applicable to the District including, without limitation, the Americans with Disabilities Act, the Prevailing Wage Act, the Health/Life Safety Code for Public Schools, and all applicable procurement and bidding requirements.

The District will provide equal treatment to all individuals and entities seeking to donate money or a gift. Upon acceptance, all gifts become the District's property. The acceptance of a gift is not an endorsement by the Board, District, or school of any product, service, activity, or program. The method of recognition is determined by the party accepting the gift.

Community Relations

Parent Organizations and Booster Clubs

Parent organizations and booster clubs are invaluable resources to the District's schools. While parent organizations and booster clubs have no administrative authority and cannot determine District policy, the School Board welcomes their suggestions and assistance.

Parent organizations and booster clubs may be recognized by the Board and permitted to use the District's name, a District school's name, or a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club has by-laws containing the following:

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Board policies and administrative procedures.
4. A statement that membership is open and unrestricted, meaning that membership is open to all parent(s)/guardian(s) of students enrolled in the school, District staff, and community members.
5. A statement that the District is not, and will not be, responsible for the organization's or club's business or the conduct of its members.
6. An agreement to maintain and protect its own finances.
7. A recognition that money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the District to use at its discretion. The Board's legal obligation to comply with Title IX by providing equal athletic opportunity for members of both genders will supersede an organization or club's recommendation.

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions of any parent organization or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos. The Superintendent shall designate an administrative staff member to serve as the recognized liaison to parent organizations or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Building staff will be encouraged to participate in the organizations.

Parental Involvement

In order to assure collaborative relationships between students' families and the District, and to enable parents/guardians to become active partners in their children's education, the Superintendent shall:

1. Keep parents/guardians thoroughly informed about their child's school and education.
2. Encourage parents/guardians to be involved in their child's school and education.
3. Establish effective two-way communication between parents/guardians and the District.
4. Seek input from parents/guardians on significant school-related issues.
5. Inform parents/guardians on how they can assist their children's learning.

Exhibit - Letter Notifying Parents/Guardians of School Visitation Rights

On District letterhead

Date

Dear Parents/Guardians:

The School Visitation Rights Act permits employed parents/guardians, who are unable to meet with educators because of a work conflict, the right to time off from work to attend necessary educational or behavioral conferences at their child's school. Please review the following copy of this Act to determine if you are entitled to a school visitation leave.

Sincerely,

Superintendent

****

SCHOOL VISITATION RIGHTS ACT

820 ILCS 147

147/1. **Short title**

This Act may be cited as the School Visitation Rights Act.

147/5. **Policy**

The General Assembly of the State of Illinois finds that the basis of a strong economy is an educational system reliant upon parental involvement. The intent of this Act is to permit employed parents and guardians who are unable to meet with educators because of a work conflict the right to an allotment of time during the school year to attend necessary educational or behavioral conferences at the school their children attend.

147/10. **Definitions**

As used in this Act:

(a) "Employee" means a person who performs services for hire for an employer for:

(1) at least 6 consecutive months immediately preceding a request for leave under this Act; and

(2) an average number of hours per week equal to at least one-half the full-time equivalent position in the employer's job classification, as defined by the employer's personnel policies or practices or in accordance with a collective bargaining agreement, during those 6 months.

"Employee" includes all individuals meeting the above criteria but does not include an independent contractor.

(b) "Employer" means any of the following: a State agency, officer, or department, a unit of local government, a school district, an individual, a corporation, a partnership, an association, or a nonprofit organization.

(c) "Child" means a biological, adopted or foster child, a stepchild or a legal ward of an employee and who is enrolled in a primary or secondary public or private school in this State or a state which shares a common boundary with Illinois.

(d) "School" means any public or private primary or secondary school or educational facility located in this State or a state which shares a common boundary with Illinois.

(e) "School administrator" means the principal or similar administrator who is responsible for the operations of the school.

147/15. **School conference and activity leave**

(a) An employer must grant an employee leave of up to a total of 8 hours during any school year, and no more than 4 hours of which may be taken on any given day, to attend school conferences or classroom activities related to the employee's child if the conference or classroom activities cannot be scheduled during non-work hours; however, no leave may be taken by an employee of an employer that is subject to this Act unless the employee has exhausted all accrued vacation leave, personal leave, compensatory leave and any other leave that may be granted to the employee except sick leave and disability leave. Before arranging attendance at the conference or activity, the employee shall provide the employer with a written request for leave at least 7 days in advance of the time the employee is required to utilize the visitation right. In emergency situations, no more than 24 hours notice shall be required. The employee must consult with the employer to schedule the leave so as not to disrupt unduly the operations of the employer.

(b) Nothing in this Act requires that the leave be paid.

(c) For regularly scheduled, non-emergency visitations, schools shall make time available for visitation during regular school hours and evening hours.

147/20. **Compensation**

An employee who utilizes or seeks to utilize the rights afforded by this Act may choose the opportunity to make up the time so taken as guaranteed by this Act on a different day or shift as directed by the employer. An employee who exercises his rights under this Act shall not be required to make up the time taken, but if such employee does not make up the time taken, such employee shall not be compensated for the time taken. An employee who does make up the time taken shall be paid at the same rate as paid for normal working time. Employers shall make a good faith effort to permit an employee to make up the time taken for the purposes of this Act. If no reasonable opportunity exists for the employee to make up the time taken, the employee shall not be paid for the time. A reasonable opportunity to make up the time taken does not include the scheduling of make-up time in a manner that would require the payment of wages on an overtime basis. Notwithstanding any other provision of this Section, if unpaid leave under this Act conflicts with the unreduced compensation requirement for exempt employees under the federal Fair Labor Standards Act, an employer may require an employee to make up the leave hours within the same pay period.

147/25. **Notification**

The State Superintendent of Education shall notify each public and private primary and secondary school of this Act. Each public and private school shall notify parents or guardians of the school's students of their school visitation rights. The Department of Labor shall notify employers of this Act.

147/30. **Verification**

Upon completion of school visitation rights by a parent or guardian, the school administrator shall provide the parent or guardian documentation of the school visitation. The parent or guardian shall submit such verification to the employer. The State Superintendent and the Director of the Department of Labor shall suggest a standard form of documentation of school visitation to schools for use as required by this Section. The standard form of documentation shall include, but not be limited to, the exact time and date the visitation occurred and ended. Failure of a parent or guardian to submit the verification statement from the school to his or her employer within 2 working days of the school visitation subjects the employee to the standard disciplinary procedures imposed by the employer for unexcused absences from work.

147/35. **Employee rights**

No employee shall lose any employee benefits, except as provided for in Section 20 of this Act, for exercising his or her rights under this Act. Nothing in this Act shall be construed to affect an employer's obligation to comply with any collective bargaining agreement or employee benefit plan. Nothing in this Act shall prevent an employer from providing school visitation rights in excess of the requirements of this Act. The rights afforded by this Act shall not be diminished by any collective bargaining act or by any employee benefit plan.

147/40. **Applicability**

This Act applies solely to public and private employers that employ at least 50 or more individuals in Illinois, and to their employees.

147/45. **Violation**

Any employer who violates this Act is guilty of a petty offense and may be fined not more than $100 for each offense.

147/49. **Limits on leave**

No employer that is subject to this Act is required to grant school visitation leave to an employee if granting the leave would result in more than 5% of the employer's work force or 5% of an employer's work force shift taking school conference or activity leave at the same time.

Community Relations

Public Suggestions and Concerns

The School Board is interested in receiving suggestions and concerns from members of the community. Any individual may make a suggestion or express a concern by contacting any District or School office. Community members who email the District or any District employee or board member are expected to abide by the standards in Board policy 6:235, *Access to Electronic Networks*, and should, to the extent possible, limit their communications to relevant individuals. All suggestions and/or concerns will be referred to the appropriate level staff member or District administrator who is most able to respond in a timely manner. Each concern or suggestion shall be considered on its merit.

An individual who is not satisfied may file a grievance under Board policy 2:260, *Uniform Grievance Procedure*. The Board encourages, but does not require, individuals to follow the channels of authority prior to filing a grievance. Neither this policy nor the *Uniform Grievance Procedure* create an independent right to a hearing before the Board.
